Form I-20 Application Information

The Form I-20 is a document issued by the Office of International Student Services at Champlain College which certifies to the U.S. government that you are eligible for F-1 student status. By issuing the Certificate of Eligibility (Form I-20) to you, the College verifies that (1) you will have met our admissions requirements for a full course of study, and (2) you have provided to us full proof of financial support to study and live in the United States.

Who Needs a Form I-20?

If you are not a U.S. citizen, are outside the U.S., and do not hold an immigration status that allows you to study in the U.S., you need to obtain a Form I-20 and apply for an appropriate visa at a U.S. Consulate outside of the United States. If you are currently in the U.S., do not hold an immigration status that allows you to study in the U.S., and wish to pursue a course of study, you must first obtain a Form I-20 then either 1) apply to the U.S. Citizenship and Immigration Services (USCIS) for a change of status to F-1, or 2) leave the U.S., obtain an F-1 student visa outside the U.S., and re-enter the U.S.

Canadian citizens do not need a visa to enter and study in the U.S. but they are required to be issued a Form I-20 and to follow all the rules for maintaining F-1 status.

Important Points to Remember

- DO NOT enter the U.S. with a B-1 or B-2 visa status unless it is marked "Prospective Student". U.S. immigration regulations do not allow a student on a visitor's visa to enroll in classes until a change of status to student (F-1) status has been approved by USCIS.
- DO NOT enter the U.S. without a visa. If you are from a country that participates in the Visa Waiver Program (VWP), do not enter the U.S. on this program. If you enter without a visa or on VWP, you will be permitted to stay in the U.S. for only 90 days. You will not be eligible for an extension of stay or allowed to change to student status.
- Students transferring from another U.S. school (high school, college or university) must obtain a Transfer Pending I-20 from Champlain College prior to the beginning of the semester.
- Students in F-1 status are allowed to work on-campus for up to 20 hours per week while Champlain College is in session and full time during college breaks and vacation periods.
- Working off campus is not permitted without prior authorization. You must speak with the Director, Office of International Student Services prior to accepting any employment.

Eligibility Requirements to Obtain an I-20

In order to be eligible for a Form I-20 you must meet the following criteria:

- You must be accepted to Champlain College in a full-time degree program.
- You must complete the Form I-20 Application and submit it to the Director, Office of International Student Services with the required documents.
- You must provide proof of financial support for one full academic year. It is important that you prove that your sources of financial support are renewable each year you plan to study at Champlain College.

Procedure for Obtaining a Form I-20

Complete the Form I-20 application and submit it with the required documents to the Office of International Student Services (as a scan via email is best):
